A CIRCUS ROYAL MODESTO CORONATION '78

Their Imperial Majesties
de Stanislaus County

No. 1 Jo Emperor III and Kevi Empress IV

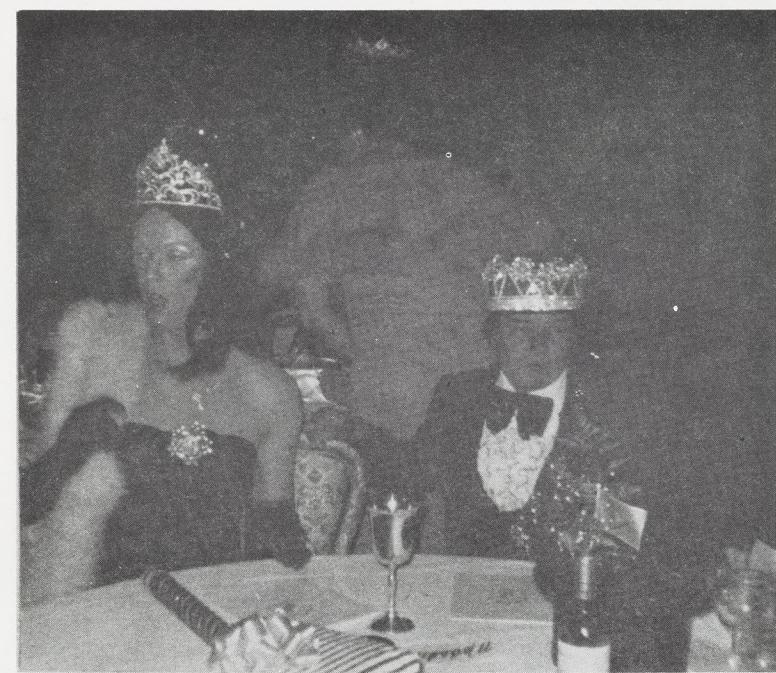

We need to feel more
to understand others.
We need to love more
to be loved back.
We need to laugh more
to enjoy ourselves.
We need to see more
other than ourselves.
We need to hear more
and listen to the needs of others.
We need to give more
and take less.
We need to share more
and own less.
We need to look more
and realize that we are not so
different from one another.
We need to create a world where
all can peacefully live the life
we choose.

Kewi....

Jo

For each of them,
the most important thing
in living was to reach
out and touch perfection
in that which they most
loved to do.

You have the freedom to be
yourself, your true self, here and now,
and nothing can stand in your way.

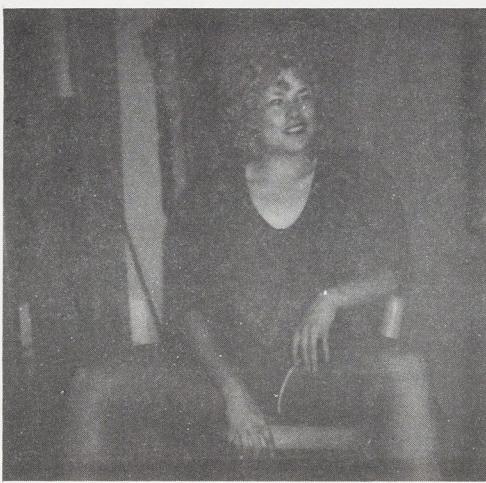

clown

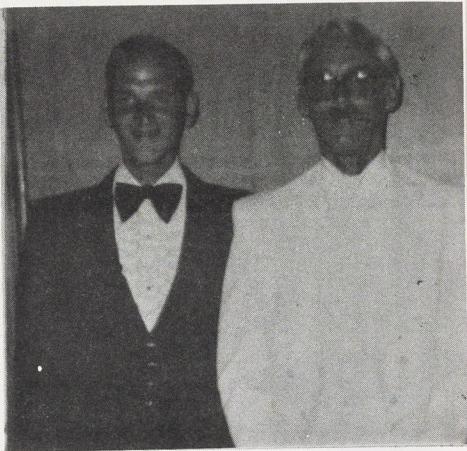

Now we have a reason to live—to learn, to discover, to be free. Give me one chance, let me show you what I've found.

The only person who can hurt us is ourselves. It is your thought that controls the definition of hurt, not what someone else does.

A special thanks to everyone who has worked towards making this a good year. Without the dedication and friendship of these people, it would not have been possible. For those who couldn't or didn't share this year, I'm sorry you missed out. I think you would have enjoyed it.

To you Jimmy (Kevi), thank you for sharing this year with me. Your friendship has made this year worth it all. Love :::: JR. Dunn

To you Jo, my love and reason for being, thank you for sharing your life with me. (PS We made it.)

Finally, my best wishes & love to the new reigning Heads of State. (Also, one bottle of Rolaids)

Many wish to remain anonymous, but certainly their help has been most appreciated. It is unfortunate that all the names were not available at the time of this printing.

A hearty well done to everyone.
